

FOREWORD

The Office of Consumer Protection under Ministry of Economic Affairs is pleased to release Market Price Information (MPI) for September 2017. This publication is issued as a part of our consumer protection services. We hope that this information will benefit the consumers and stakeholders in making informed choices and decisions.

This MPI provides market price information of selected shops in six regional towns namely Thimphu, Phuntsholing, Samdrup Jonkhar, Gelephu, Trongsa, and Monggar. It contains the prices of 128 essentials commodities which are drawn from commodities basket of the National Statistical Bureau used for compilation of consumer price index.

The six regional towns are the main commercial hubs where most consumers visit to avail service and for business transactions. In the coming years, it is hoped that the all Thromdes across that country will be covered in the MPI.

The OCP is in the process of developing an online system for MPI. Once the online system is operational, we hope to increase the frequency of publication to ensure the coverage to all the districts and make MPI more relevant.
